Sponsored by

Department of Higher Education Government of Uttar Pradesh

: Organized By :

Deen Dayal Upadhyay Government Post Graduate College,

Sitapur, Uttar Pradesh, India

Welcome Message

Dear Participants,

Greetings

Prof. Monika Singh
Chief Patron
Director of Higher Education U.P.

Prof. Amit Kumar Yadav
Patron

Dr. Rajani Gupta
Convenor

Mrs. Priyanka Bharti
Organising Secretary

It is our great pleasure to welcome scholars, researchers, academicians, professionals, policymakers and students from India and across the world to the **International Conference on “AI, Sustainability, and Human Values: Reimagining Science, Commerce, and Humanities for a Resilient Global Future.”** The rapid advancement of Artificial Intelligence and emerging technologies is transforming every sphere of human life, including science, business, education, governance and society. At the same time, the world faces pressing challenges related to environmental sustainability, climate change, economic inequality, ethical concerns and social well-being. Addressing these interconnected challenges requires a multidisciplinary approach that brings together technological innovation, sustainable development and human values. This Conference aims to provide an inclusive academic platform for meaningful dialogue and knowledge exchange across Science, Commerce, Management, Social Sciences, Arts, Humanities and allied disciplines. Through expert lectures, technical sessions and research presentations, the Conference will explore how Artificial Intelligence and innovation can contribute to sustainable, inclusive and resilient development while remaining ethical, responsible and human-centred. We warmly invite participants to share their research, ideas and experiences and contribute to meaningful academic discussions. We look forward to welcoming you to Sitapur for two days of intellectual exchange, collaboration and collective exploration of pathways towards a resilient and sustainable global future

With warm regards -

Organizing Committee

ABOUT THE INTERNATIONAL CONFERENCE

Artificial Intelligence is rapidly reshaping the world and creating new possibilities across science, technology, business, education and society. However, technological progress must be accompanied by sustainability, ethical responsibility and a commitment to human values. The **International Conference on AI, Sustainability, and Human Values** provides a multidisciplinary platform to explore the complex relationship between technological innovation, sustainable development and human-centred progress. The Conference brings together scholars and professionals from **Science, Commerce, Management, Social Sciences, Arts, Humanities and allied disciplines** to exchange ideas and develop innovative responses to contemporary and future challenges.

The Conference will focus on responsible AI, emerging technologies, sustainable development, ESG, green innovation, digital transformation, ethics, governance, culture, education, future skills and inclusive growth. It will also encourage interdisciplinary collaboration and contribute to discussions on building resilient communities and advancing the broader vision of **Viksit Bharat @2047**.

About Organizer

Deen Dayal Upadhyay Government Post Graduate College, Sitapur, affiliated with the University of Lucknow, is an important institution of higher education in Uttar Pradesh, committed to academic excellence, research, innovation, and the holistic development of students.

To fulfil the aspirations of the people of the region for quality higher education, the Government of Uttar Pradesh established the college in 1992 with the Bachelor of Commerce (B.Com.) programme, initially affiliated with Chhatrapati Shahu Ji Maharaj University, Kanpur.

Initially functioning from the ITI campus, the college later shifted to its present premises on the Sitapur–Lucknow Highway. The Bachelor of Science (B.Sc.) programme was introduced in 1995, followed by the upgradation of the institution to a Post Graduate College in 1996 with the commencement of the Master of Commerce (M.Com.) programme.

The Bachelor of Arts (B.A.) programme was introduced in 2008, further broadening the academic programmes offered by the college. In 2023, the Bachelor of Business Administration (B.B.A.) programme was added, further strengthening the college's commitment to providing diverse and career-oriented higher education opportunities.

Over the years, the college has continued to grow and develop as a centre of quality higher education, with a strong focus on academic excellence, research, innovation, and the overall development of its students.

: Venue :

**Deen Dayal Upadhyay Government Post Graduate College,
Sitapur, Uttar Pradesh, India**

Theme

**AI, Sustainability and Human Values: Reimagining Science,
Commerce, and Humanities for a Resilient Global Future**

Sub-themes

TECHNICAL SESSION I

Science & Technology : AI, Green Computing and Innovation

Sub-themes:

- AI and Machine Learning for Climate Action and Smart Cities
- Green Computing, Energy-Efficient Data Centres & Sustainable Tech
- AI in Healthcare, Agriculture and Natural Resource Management
- Mathematical Modelling, Data Privacy, Cybersecurity and Responsible Technology
- Environmental Science, Computational Biology and Ecological Modelling
- Artificial Intelligence in Drug Discovery and development: Transforming the Future of Pharmaceutical Research

TECHNICAL SESSION II

Commerce & Management: Digital Economy and Sustainable Growth

Sub-themes:

- AI-Driven Financial Technologies (FinTech), E-Commerce, Finance, Marketing, and Sustainable Fashion
- Sustainable Supply Chain Management and Industry 4.0/5.0
- Environmental, Social, and Governance (ESG) Investing & Green Finance
- Corporate Social Responsibility (CSR) in the Age of Automation
- AI Ethics in Marketing, Consumer Privacy, and Workplace Transformation

TECHNICAL SESSION III

Humanities, Social Sciences & Law: Ethics, Policy and Culture

Sub-themes :

- Philosophical and Ethical Implications of AI
- Human Values, AI Bias, Gender, Diversity and Social Justice
- Digital Humanities, AI in Literature, Language and Cultural Studies
- Policy, Governance, and Legal Frameworks for Global AI Regulation
- Mental Health, Educational Technology and Societal Well-being

TECHNICAL SESSION IV

Interdisciplinary Perspectives: Resilience, Innovation and Global Future

Sub-themes:

- AI, Sustainability and Human Values for Resilient Communities
- Indian Knowledge Systems and Indigenous Knowledge for Sustainable Development
- AI, Education, Future Skills and Employability and the Changing World of Work
- Innovation, Entrepreneurship, Inclusive Growth and Viksit Bharat @2047
- Global Cooperation and Multidisciplinary Pathways towards a Resilient Future

Organizing Committee

Chief Patron

Prof. Monika Singh (Director, UP Higher Education)

Patron

Prof. Amit Kumar Yadav (Principal)

Coordinator

Dr. Rajiv Dwivedi

Convenor

Dr. Rajani Gupta

Organizing Secretary

Mrs. Priyanka Bharti

Co-convenors

Dr. Ranjeet Singh

Lt. Shekhar Singh

Joint Organizing Secretary

Mrs. Rashmi Sant

Dr. Rabindar Kumar Sharma

Treasurer

Mrs. Priti Singh

Member of Executive Committee

Shri. Anoop Kumar

Dr. Arti Mishra

Dr. Kunwar ji Tiwari

Shri Dinesh Sabbarwal

Shri Jagdish Prasad

Call for Papers:

Researchers, academicians, professionals, policymakers, industry experts and students are invited to submit original and unpublished research papers relevant to the central theme and technical sessions of the Conference. Contributions addressing emerging and interdisciplinary issues related to Artificial Intelligence, Sustainability and Human Values are particularly encouraged.

Guidelines for Paper Submission

Suggested structure: Title → Author(s) & Affiliation → Abstract → Keywords → Introduction → Objectives → Methodology → Results/Discussion → Conclusion → References

Abstract: 250-300 words, Keywords: 4-6, Full Paper Submission: 3,000-5,000 words, Font Style: Times New Roman in 12 point and for Hindi Kruti Dev 10 in 14 point with 1.5 line spacing. Presentation Mode: Hybrid (Online & Offline)

Submission Email: seminarddu@gmail.com

Awards

There will be an award for Best paper presentation for faculty, scholars and Students separately in each technical session.

Accommodation:

The delegates who want accommodation facilities are requested to intimate the Co-convenor **Dr. Ranjeet Singh (8273142260)** and **Lt. Shekhar Singh (Mo.8858904118)** by 26th October 2026 so that comfortable arrangements for boarding and lodging can be made.

Publication Opportunities

Selected quality full papers will be published in peer reviewed refereed journals.

Aim and Objectives

The conference aims to foster **multidisciplinary research and academic dialogue** on Artificial Intelligence, emerging technologies, sustainability, ESG, and digital transformation. It seeks to explore **ethical, inclusive, human-centred and responsible applications of technology** across education, business, employment, society, governance, and climate resilience. The conference further promotes **sustainable finance, green innovation, responsible business practices, and future skills**, while strengthening **academia-industry-government-international collaboration** to support inclusive growth and the vision of **Viksit Bharat @2047**.

Important Instructions

- ✉ Paper Contributors are advised to follow the UGC guidelines for the maintenance of standards and plagiarism.
- ✉ In case there is more than one author of a paper, all authors have to register to get the certificates.
- ✉ The conference kit will not be given to the accompanying person.
- ✉ The delegates will not be paid any TA/DA for participating in the conference.

The abstract along with full length research paper must be submitted through e-mail: seminarddu@gmail.com not on whatsapp

Key Research Areas

Artificial Intelligence | Machine Learning | Generative AI | Green Computing | Climate Action | Sustainable Development | ESG | Green Finance | FinTech | Digital Economy | Cybersecurity | AI Ethics | Digital Governance | Future Skills | Education | Indian Knowledge Systems | Social Justice | Innovation | Resilience | Viksit Bharat @2047

The above themes are indicative and not exhaustive. Interdisciplinary research contributions relevant to the broader theme of the Conference are also welcome.

Registration Fee
