RECITALS

I. IBM SkillsBuild, represented in India by its country partner CSRBOX Foundation, is a free-access digital learning platform offering over 85,000 learning activities focused on industry-relevant skill development for students and job seekers. Upon successful completion of select courses, learners can earn IBM-certified badges and certificates, enabling them to showcase newly acquired, in-demand skills and pursue employment opportunities completely free of cost..

II. Jai Narain P.G. College, established in 1917, is one of the largest and most prestigious associated colleges of Lucknow University. It offers undergraduate and postgraduate programs across Arts, Science, Commerce, Law, Education, BBA(IB), and Physical Education, serving nearly 10,000 students. The college has a rich legacy shaped by visionary leaders like Pt. Jai Narain Misra and the Misra Bandhu. Renowned for academic excellence and holistic development, it boasts a dedicated faculty of over 400. With a strong foundation and progressive outlook, the institution continues to be a pillar of higher education in Uttar Pradesh.

OBJECTIVES

The objective of this LoU is to mutually complement both of the above parties' energies, outreach, and efforts to curate opportunities of collaborations, sharing of knowledge resources, and jointly work on building capacities of the users through the two programs- **IBM SkillsBuild and IBM Academia.**

OPERATIONAL ASPECTS

CSRBOX Foundation, as the IBM SkillsBuild Country Partner, will onboard **Deen Dayal Upadhyay Government P.G College** as the 'Partner' for the IBM SkillsBuild for both the programs- IBM SkillsBuild and IBM Academia and work closely with the college to leverage their beneficiaries/learner base of students/beneficiaries and other important stakeholders to build industry-relevant skill sets & enhance employability prospects of students/ learners by providing knowledge of emerging technology.

ENGAGEMENT OUTLINE

1. Platform Access and Onboarding

CSRBOX will facilitate learner access to the IBM SkillsBuild platforms for both programs.

This includes:

- Provisioning access (including licenses) as needed.
- Onboarding learners in phases:
